

# Thank You FOR VISITING SECOND

Greetings in Christ!

On the behalf for myself, Lady D,  
and the Second Missionary  
Baptist Church family we just  
wanted to take a moment to thank  
you for visiting with us at today.

While we can honestly say we  
really haven't "done it this way  
before", we know with the  
Coronavirus situation, we've been  
forced into doing things we never  
dreamed of a year ago!

**REV. TERRENCE L. JOHNSON**  
& **LADY DIONNA JOHNSON**

If you have any questions  
about our service times or  
salvation please see our  
Pastor or church officers.  
We look forward to  
seeing you next week!

## Pastor's Pen

Dear SMBC,

I pray that you all had good Memorial Day Holiday. In many ways Memorial Day kicks off what's known to be vacation season. I would encourage everyone to find some time to get away with your family and those you love. No matter how far you go it's good to just take some time to rest, relax and enjoy peace. There used to be a time when I would say enjoy your vacation but leave your tithe before you go. However, technology has advanced. So, now when you do go on vacation you give no matter where are!!!!

Today, we will kick off our Fellowship Hall Mall! This an opportunity for all our SMBC entrepreneurs to share their talents and products with us. Most importantly this is an opportunity for us to support our own. As I shared last week, this is not in any way a matter of disrespect to the house of GOD. We are not extorting anyone who is trying to worship. What we are doing is offering the fellowship hall as a place for our discipleship to conduct business with having to pay an overhead cost. We want to see all our entrepreneurs do well and achieve their goals. This our contribution to black economics within the Black church.

Finally, our Black history class will have to be rescheduled. Unfortunately, I overbooked my personal calendar. Our daughter Taryn will be graduating from high school on this same day. In wisdom I do not want to overextend myself in trying to be everywhere at the same time. We also have a very busy month of Saturday meetings plus the Juneteenth celebration, so we need to find a time that works on a Saturday. I take full responsibility for this oversight.
